KET DOAN HIKE-A-THON 2011
BENEFITS FEEDING AMERICA
FIGHTING AGAINST HUNGER

Washington, D.C.- Ket Doan Association-Vietnamese American United will host a Hike-a-thon at White Oak Canyon Trail (Shenandoah Park) on October 15, 2011. To fight against hunger across America, especially during the Holiday season, Ket Doan Association will donate all money raised from the event to Feeding America.

"In many ways, America is the land of plenty. But for 1 in 6 Americans, hunger is a reality. Right now, millions of Americans are struggling with hunger. These are often hard-working adults, children and seniors who simply cannot make ends meet and are forced to go without food for several meals, or even days. In 2009, 43.6 million people (14.3 percent) were in poverty, 50.2 million Americans lived in food insecure households, 33 million adults and 17.2 million children." Facts and statistics at www.feedingamerica.org

We would like to request for your support through participation and/or donation to make this event successful. Your generosity will definitely impact our effort in the fight against hunger.
